

PORSCHE DESIGN | HONOR Magic7 RSR

5G

DESIGN

PORSCHE DESIGN HONOR Magic7 RSR inspired by luxury sports car design

- Hexagonal camera module
- Four-eye arrangement (three high-precision lenses and a graphical element) resembling sports car headlights seamlessly integrating into the aerodynamic aesthetics
- "Peak Line" on the rear side, reminiscent of sleek hood lines featured on Porsche sports cars

Colors¹: Agate Grey, Provence (original Porsche car colors)

DIMENSIONS

Height: 162.7mm
Width: 77.1mm²
Depth: 8.8mm
Weight: 228g (including the battery)³

DISPLAY

6.8-inch⁴ LTPO Equal-Depth Quad-Curved Screen
Color Gamut: 1.07 billion colors, 100% DCI-P3, HDR
Refresh Rate: up to 120Hz Smart Refresh⁵
Peak HDR Brightness: 5000nits Peak HDR Brightness
Resolution⁶: 2800 x 1280 pixels, PPI: 453
Dolby Vision
Super Dynamic Vivid Display

Eye Comfort Features:

- Natural light HONOR AI Eye Comfort Display
- Circular Polarized Display
- AI Defocus Display
- Dynamic Dimming
- 4320Hz PWM Dimming⁷
- Customized Circadian Night Display
- TÜV Rheinland Full Care Display 4.0
- TÜV Rheinland Circular Polarization
- TÜV Rheinland Flicker Free

Durability

- HONOR NanoCrystal Shield, 10x drop resistance⁸
- SGS 5-Star glass drop resistance ability certification in multiple scenarios
- IP68 and IP69 Rated water and dust resistance⁹

PERFORMANCE

Snapdragon[®] 8 Elite Mobile Platform
CPU: 2×Prime 4.3GHz+6×Performance 3.5GHz
GPU: Adreno[™] 830
RAM+ROM¹⁰: 24GB+ 1TB

REAR CAMERA

HONOR AI Falcon Camera System:

- 200MP Periscope Telephoto Camera (1/1.4", f/1.88, 3x Optical Zoom, 6x Seamless Zoom, 100x Digital Zoom Maximum)
- 50MP Super Dynamic Falcon Main Camera H9800 (f/1.4-f/2.0 Adjustable Aperture, OIS)
- 50MP Wide Camera (f/2.0, 122° FOV)
- 1200 Points LiDAR Matrix

1. Color availability may vary by region.

2. Data from HONOR labs. The actual size may vary based on the configuration, manufacturing process, and measurement method. The thickness of the phone does not include the raised part of the camera.

3. Data from HONOR labs. Total weight includes battery. Actual weight may vary due to product configurations, manufacturing processes, and measuring methods.

4. With a rounded corners design on the display, the diagonal length of the exterior screen is 6.8 inches when measured according to the standard rectangle (the actual viewable area is slightly smaller).

5. The screen supports a maximum refresh rate of 120Hz, and the refresh rate may be varied slightly under different app interfaces and game image quality. Please refer to your actual experience.

6. The resolution measured as a standard rectangle; thus, the effective pixels are slightly less.

7. The screen supports a maximum high-frequency PWM dimming of 4320Hz, which takes effect in low-brightness scenarios. Please refer to the actual experience. The phone is not medical equipment and is not available for treatment.

8. The data is sourced from HONOR labs, comparing the drop resistance of NanoCrystal glass and ordinary glass tested under equal weight. As a precision electronic device, the phone is still at risk of damage from drops. Please exercise caution to avoid drops and collisions.

9. This is not a waterproof mobile phone. It is splash-resistance, water-resistance, and dust-resistance under normal use. As tested in controlled laboratory conditions, it reaches the IP68 level according to the IEC 60529 (overseas) standards. Splash, water and dust resistance are not permanent, and protection may be reduced by daily wear and tear. Do not charge the phone when it is wet. See the user guide for cleaning and drying instructions. Damage due to immersion in liquids is not covered under warranty.

10. The actual storage varies with the configuration. The available internal storage may be smaller as part of the internal storage is occupied by software

PORSCHE DESIGN | HONOR Magic7 RSR 5G

REAR CAMERA

AI HONOR IMAGE ENGINE

- All-scenario Harcourt Portrait
- AI Enhanced Portrait
- AI Super Zoom
- Stage Mode
- HD Super Burst
- AI Motion Sensing Capture

In-built Sensors:

- SMA Radar (AF+OIS 2 in 1)
- Multi-spectrum Color Temperature Sensor
- Flicker Sensor

FRONT CAMERA

50MP Wide Camera + 3D ToF Camera

VIDEOGRAPHY

Video Resolution:

- 4K 60fps, 3840 x 2160 pixels

BATTERY

5850mAh HONOR 3rd Generation Silicon-carbon Battery¹¹
HONOR Power Management System
Power Enhanced Chip HONOR E2
100W Wired and 80W Wireless HONOR SuperCharge¹²

SECURITY

Dual-TEE Security System (HTEE+QTEE), Discrete Security Chipset

PRIVACY

3D Face Recognition
Ultrasonic Fingerprint Unlocking
AI Privacy Call¹³
AI Dual-way Noise Reduction

OPERATING SYSTEM

MagicOS 9.0 (Powered by Android™ 15)

CONNECTIVITY

Bluetooth 5.4
2.4GHz, 5GHz and 6GHz Wi-Fi 6 / Wi-Fi 7
Type-C, USB 3.2 GEN1
NFC Support
Communication Chip HONOR C2

AUDIO

SGS 5-Star Audio Performance and Spatial Audio Certification
Stereo Speaker with an Integrated Ultra-large Sound Cavity and Spatial Audio

NETWORK

Dual-SIM model (Nano SIM, dual stand-by)
Single-SIM model (Nano SIM, dual stand-by) (LATAM)
5G NR, 4G TDD-LTE / FDD LTE, 3G WCDMA, 2G GSM

KEY AI EXPERIENCES

Gemini, an AI assistant from Google¹⁴
Magic Portal
AI Deepfake Detection
AI Translation
AI Eraser
HONOR Notes

11. Typical value. The rated capacity of the non-removable battery is 5750 mAh.
12. The actual charging power may vary with different scenarios intelligently. Please refer to actual situations.
13. AI Privacy Call works at volume from 1 to 13. The volume bar is shown in green when it is enabled. This feature reduces sound leakage, but is not completely soundproof, the sense of sound leakage is related to the noise level of the environment. Please refer to your actual experience.
14. Google, Android and Gemini are trademarks of Google LLC. Gemini mobile app available on select devices, languages, and countries. Internet connection required. Check responses for accuracy.
